No. 22-cv-0214RSL

**STIPULATION AND ORDER RE  
AGREED RIDER TO PROTECTIVE  
ORDER REGARDING THE USE AND  
DISCLOSURE OF DISCOVERY  
PRODUCED BY NONPARTY APPLE  
INC.**

1 This agreement is entered into between and among nonparty Apple Inc. (“Apple”) and  
2 Tonda Ferrando and Dex Marzano (“Plaintiffs”), the named plaintiffs in *Ferrando v. Zynga Inc.*,  
3 No. 22-cv-214-RSL (the “Action”). Plaintiffs and Apple anticipate that Apple will produce  
4 documents in this action that contain sensitive consumer information and are necessary to provide  
5 notice of the Class Action Settlement Agreement to members of the Settlement Class. This  
6 agreement is intended to supplement the protective order entered by the Court on July 15,  
7 2022 (ECF No. 32) (“Protective Order”).

8 Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, the Court finds good  
9 cause for the following Agreed Rider To Protective Order Regarding The Use And Disclosure  
10 Of Discovery Produced By Nonparty Apple Inc. (“Rider”).

11 **PURPOSES AND LIMITATIONS**

12 Apple Protected Material designated under the terms of this Rider shall be used by the  
13 Parties solely for the purpose of providing notice to and verifying and paying the recovery amount  
14 owed to each member of the Settlement Class. Apple Protected Material shall not be used directly  
15 or indirectly for any other purpose whatsoever.

16 No Apple Protected Material provided by Apple to the Class Action Administrator under  
17 the terms of this Rider may be shared with any of the Parties, unless specifically authorized by this  
18 Rider.

19 It is the intention of Apple and the Parties that this Rider will protect all materials produced  
20 by Apple in the Actions unless otherwise specified.

21 **DEFINITIONS**

22 “Class Action Administrator” means JND Legal Administration, acting as class action  
23 administrator to effect the Class Action Settlement Agreement entered.

24 “Class Action Settlement Agreement” means the document filed at ECF No. 24-1 in the  
25 Action.

1 “Outside Counsel” means (i) outside counsel who appear on the pleadings as counsel for a  
 2 Party and (ii) partners, associates, and staff of such counsel to whom it is reasonably necessary to  
 3 disclose the information for this litigation.

4 “Apple Protected Material” means any discovery produced by Apple in the Actions.

5 “Settlement Class” has the meaning provided in the Class Action Settlement Agreement.

#### 6 **COMPUTATION OF TIME**

7 The computation of any period of time prescribed or allowed by this Order shall be  
 8 governed by the provisions for computing time set forth in Federal Rules of Civil Procedure 6.

#### 9 **SCOPE**

10 The protections conferred by this Rider cover not only the Apple Protected Material  
 11 governed by this Rider as addressed herein, but also any information copied or extracted therefrom,  
 12 as well as all copies, excerpts, summaries, or compilations thereof, plus testimony, conversations,  
 13 or presentations by Parties or their counsel in court or in other settings that might reveal Apple  
 14 Protected Material.

15 Nothing in this Rider shall prevent or restrict Apple’s own disclosure or use of its own  
 16 Apple Protected Material for any purpose, and nothing in this Rider shall preclude Apple from  
 17 showing its Apple Protected Material to an individual who prepared the Apple Protected Material.

#### 18 **DURATION**

19 Even after the termination of this case, the confidentiality obligations imposed by this  
 20 Order shall remain in effect until a Producing Party agrees otherwise in writing or a court order  
 21 otherwise directs, subject to the Final Disposition clause herein.

#### 22 **ACCESS TO APPLE PROTECTED MATERIAL**

23 Basic Principles. All Apple Protected Material shall be used solely for the purpose of  
 24 providing notice to and verifying and paying the recovery amount owed to members of the  
 25 Settlement Class, and not for any other purpose whatsoever, including without limitation any other  
 26 litigation, patent prosecution or acquisition, patent reexamination or reissue proceedings, or any  
 27

1 business or competitive purpose or function. Apple Protected Material shall not be provided,  
2 distributed, disclosed, or made available to anyone except as expressly provided in this Rider.

3 Secure Storage, No Export. Apple Protected Material must be stored and maintained by a  
4 Receiving Party at a location in the United States and in a secure manner that ensures that access  
5 is limited to the persons authorized under this Rider. To ensure compliance with applicable United  
6 States Export Administration Regulations, Apple Protected Material may not be exported outside  
7 the United States or released to any foreign national (even if within the United States).

8 Legal Advice Based on Apple Protected Material. Nothing in this Rider shall be construed  
9 to prevent counsel from advising their clients with respect to this case based in whole or in part  
10 upon Apple Protected Materials, provided counsel does not disclose the Apple Protected Material  
11 itself except as provided in this Rider.

12 Limitations. Nothing in this Rider shall restrict in any way Apple's use or disclosure of its  
13 own Apple Protected Material.

14 Designation. For the avoidance of doubt, in all circumstances not specifically addressed  
15 by this Rider, all Apple Protected Material shall be treated as if designated "CONFIDENTIAL"  
16 under the Protective Order regardless of whether the Apple Protected Material has been  
17 stamped or marked in accordance with that Order.

18 **USE OF PROTECTED MATERIAL**

19 It is Apple's and the Parties' intention that Apple will produce Apple Protected Materials  
20 directly to the Class Action Administrator, with no production to any of the Parties.

21 Unless otherwise ordered by the Court or authorized through the prior written consent of  
22 Apple, the Class Action Administrator may disclose Apple Protected Materials only to those  
23 members of the Class Action Administrator's staff, or to any copying, clerical or other support  
24 services working at the direction of the Class Action Administrator, to whom disclosure is  
25 reasonably necessary in order to provide notice to and/or to verify and pay the recovery amount  
26  
27

1 owed to members of the Settlement Class, provided that each such person to whom disclosure is  
2 made must first agree to be bound by the provisions of this Rider by signing a copy of Exhibit A.

3       Nothing in the foregoing paragraph is intended to restrict the Class Action Administrator  
4 from disclosing to a member of the Settlement Class any Apple Protected Material that specifically  
5 relates to that individual.

6       Certain Members of the Settlement Class: Thirty days prior to the claims deadline, and  
7 subject to Apple's prior written consent (such consent not to be unreasonably withheld), the Class  
8 Action Administrator shall furnish to Counsel for Plaintiffs the contact information for and  
9 Lifetime Spending Amount associated with each Settlement Class Member who (1) has a Lifetime  
10 Spending Amount of greater than or equal to \$25,000, and (2) has not yet filed a claim. Plaintiffs  
11 and Apple further agree that Plaintiffs may request Apple's written consent that the  
12 aforementioned Lifetime Spending Amount threshold (i.e., \$25,000) be lowered, and Apple agrees  
13 to consider any such request in good faith.

14       For the avoidance of doubt, no Settlement Class Member contact information or Lifetime  
15 Spending Amounts shall be provided to Counsel for Plaintiffs unless Counsel for Plaintiffs have  
16 been appointed by the Court as Class Counsel.

17       Any contact information disclosed to counsel for Plaintiffs pursuant to this section shall be  
18 used solely for the purpose of providing notice of the Class Action Settlement Agreement to  
19 members of the Settlement Class, and counsel for Plaintiffs shall disclose Contact Information  
20 only to counsel's staff, or to any copying, clerical or other support services working at the direction  
21 of counsel for Plaintiffs, to whom disclosure is reasonably necessary to provide notice to the  
22 member. All Contact Information relating to a member of the Settlement Class shall be destroyed  
23 by counsel for Plaintiffs upon confirmation that the member has received actual notice of the Class  
24 Action Settlement.

1                   **CHALLENGING DESIGNATIONS OF PROTECTED MATERIAL**

2                   This Rider is intended to provide no mechanism to the Parties through which they can  
3 challenge the designation or protected status of Apple Protected Materials.

4                   **SUBPOENAS OR COURT ORDERS**

5                   If at any time Apple Protected Material is subpoenaed by any court, arbitral, administrative,  
6 or legislative body, the Party to whom the subpoena or other request is directed shall immediately  
7 give prompt written notice thereof to Apple and to its counsel and shall provide Apple with an  
8 opportunity to move for a protective order regarding the production of Apple Protected Materials  
9 implicated by the subpoena.

10                  **FILING PROTECTED MATERIAL**

11                  Absent written permission from Apple or a court Order secured after appropriate notice to  
12 all interested persons, the Parties may not file or disclose in the public record any Apple Protected  
13 Material.

14                  **INADVERTENT DISCLOSURE NOT AUTHORIZED BY ORDER**

15                  In the event of a disclosure of any Apple Protected Material pursuant to this Rider to any  
16 person or persons not authorized to receive such disclosure under this Rider, the Party responsible  
17 for having made such disclosure, and each Party with knowledge thereof, shall immediately notify  
18 counsel for Apple and provide to such counsel all known relevant information concerning the  
19 nature and circumstances of the disclosure. The responsible disclosing Party shall also promptly  
20 take all reasonable measures to retrieve the improperly disclosed Apple Protected Material and to  
21 ensure that no further or greater unauthorized disclosure and/or use thereof is made

22                  Unauthorized or inadvertent disclosure does not change the status of Apple Protected  
23 Material or waive the right to hold the disclosed document or information as Protected.

24                  **FINAL DISPOSITION**

25                  Not later than ninety (90) days after closure of the Final Disposition of this case, each Party  
26 and the Class Action Administrator shall return all Discovery Material of a Producing Party to the  
27

1 respective outside counsel of the Producing Party or destroy such Material, at the option of Apple.  
2 For purposes of this Order, “Final Disposition” occurs after an order, mandate, or dismissal finally  
3 terminating the above-captioned action with prejudice, including all appeals.

4 All Parties that have received any such Discovery Material, as well as the Class Action  
5 Administrator, shall certify in writing that all such materials have been returned to counsel for  
6 Apple or destroyed.

7 **MISCELLANEOUS**

8 **Termination of Matter and Retention of Jurisdiction.** The Parties and Apple agree that the  
9 terms of this Rider shall survive and remain in effect after the Final Determination of the Actions.  
10 The Court shall retain jurisdiction after Final Determination of the matter to hear and resolve any  
11 disputes arising out of this Rider.

12 **Successors.** This Rider shall be binding upon Apple and the Parties hereto, their attorneys,  
13 and their successors, executors, personal representatives, administrators, heirs, legal  
14 representatives, assigns, subsidiaries, divisions, employees, agents, retained consultants and  
15 experts, and any persons or organizations over which they have direct control.

16 **Modification by Court.** This Order is subject to further court order based upon public policy  
17 or other considerations, and the Court may modify this Order *sua sponte* in the interests of justice.  
18 The United States District Court for the Western District of Washington is responsible for the  
19 interpretation and enforcement of this Order. All disputes concerning Apple Protected Material,  
20 however designated, produced under the protection of this Order shall be resolved by the United  
21 States District Court for the Western District Washington.

22 **Discovery Rules Remain Unchanged.** Nothing herein shall alter or change in any way the  
23 discovery provisions of the Federal Rules of Civil Procedure, the Local Rules for the United States  
24 District Court for the Western District of Washington, or the Court’s own orders. Identification  
25 of any individual pursuant to this Protective Order does not make that individual available for  
26 deposition or any other form of discovery outside of the restrictions and procedures of the Federal  
27

Rules of Civil Procedure, the Local Rules for the United States District Court for Western District of Washington, or the Court's own orders.

**ORDER**

PURSUANT TO STIPULATION, IT IS SO ORDERED.

Dated this 22nd day of July, 2022.

  
ROBERT S. LASNIK  
UNITED STATES DISTRICT JUDGE

**EXHIBIT A**

I, \_\_\_\_\_, acknowledge and declare that I have received a copy of the Agreed Rider To Protective Order Regarding The Use And Disclosure Of Discovery Produced By Nonparty Apple Inc. ("Rider") in *Ferrando v. Zynga Inc.*, No. 22-cv-214-RSL, United States District Court, District of Washington, Western District. Having read and understood the terms of the Rider, I agree to be bound by the terms of the Rider and consent to the jurisdiction of said Court for the purpose of any proceeding to enforce the terms of the Rider.
